

WEST HORSLEY NEIGHBOURHOOD PLAN REACHES ITS PRE-SUBMISSION CONSULTATION

West Horsley Neighbourhood Plan is gearing up for its Regulation 14 Pre-Submission Consultation. This means that before submitting the Neighbourhood Plan to Guildford Borough Council for approval, the Parish Council must publish a 'Pre-Submission Plan' and consult with the people who live, work or carry on a business in the Neighbourhood Area. Our six-week consultation should hopefully get underway on 12th June 2017.

This Pre-Submission Plan is the result of two years' hard work by the WHNP Steering Group. We have identified, researched and drafted a set of policies that we believe best reflects the views and ambitions of our community, whilst remaining aligned with the strategic needs of the country and the wider local area. If accepted, the Plan will influence the types and designs of development within West Horsley. It will also help us to protect our local green spaces and community assets, preserve our countryside and environment, and promote local business and infrastructure.
